

Calves

If you are interested in any of our calves, please email Steve at stevendean@live.com.

JT Brilliance

RR Wyatt
Heifer

DOB 5/3/2021
TLBAA: Pending
Sex: Heifer
Sire: RR Wyatt #BI93326
Dam: Vibrancy of Stars #C1308256
Her dam, Vibrancy, has stunning horns with a wonderful twist. Her sire, RR Wyatt, is a striking light brindle with horns over 80 inches TTT. Wyatt has been producing outstanding heifers with a great variety of color and promising horns. I think Brilliance is going to be a great one! (Photo taken 6/6/2021).

JT Dancing Diamond

7-11 Makin
Magic Heifer

DOB 5/24/21
TLBAA: Pending
Sex: Heifer
Sire: 7-11 Makin Magic #BI90613
Dam: JMR Diamond Diva III #CI313069
Dancing Diamond is a show off heifer from 7-11 Makin Magic at Jack Mountain Ranch. Her dam, Diamond Diva III, has large base horns predicted in the mid-80's. She was up dancing around her momma within 30 minutes of hitting the ground! And just look at her dazzling color! What promise! (Photo taken 6/1/21)

JT Juicy Fruit

RR Wyatt
Heifer

DOB 6/29/2021
TLBAA: Pending
Sex: Heifer
Sire: RR Wyatt #BI93326
Dam: Myriad of Stars #CI305201
JT Juicy Fruit is a full sister to Pecan Pie who is predicted to be over 94" TTT. Her dam, Myriad of Stars, has a ton of total horn and huge bases. RR Wyatt, her sire, is over 80" TTT with amazing color. With these genetics, this girl is very promising! I expect she is going to prove to be a wonderful heifer! (Photo taken 7/15/2021)

JT Pirate's Booty

SR Lexington
Heifer

DOB 7/15/2021
TLBAA: Pending
Sex: Heifer
Sire: SR Lexington #BTI95620
Dam: SR Clout's Treasure #CI315852
This beautiful heifer is a grand-daughter to Cowboy Tuff Chex through her sire, SR Lexington, from Struthoff Ranch. Pirate's Booty is a large, long-legged calf. Her dam is thick bodied and is predicted to be over 85 inches TTT. I expect this heifer will be outstanding! (Photo taken 7/16/21).

JT Jomo

SOLD

DOB 8/13/2020
TLBAA: Pending
Sex: Bull
Sire: SR Lexington 7118
Dam: SR Clout's Treasure 807
Jomo is the first calf of a beautiful cow we purchased from Struthoff Ranch. His dam, Clout's Treasure, is a beautiful deep red with horns predicted to be over 85" TTT. His sire, SR Lexington, is the son of Cowboy Tuff Chex who holds the record for longest horns in the industry. Just look at his thick body, straight back line and outstanding color! (photo taken 7/16/21)

JT Silver Bells

SOLD

DOB 12/9/2020
TLBAA: Pending
Sex: Heifer
Sire: RR Wyatt #BI93326
Dam: MK Red Hot Kitty #C1302245
Silver Bells is our Christmas calf and is one of the most beautiful heifers we've raised! Her dam is MK Red Hot Kitty whom we call "Belle". Her sire is our outstanding bull RR Wyatt. Just look at how she's painted up pretty...and brindle like her daddy. His horns are over 80 inches and mom has a wonderful Texas twist! Watch her horns come on! (Photo taken 7/16/21)

JT Rocky Road

SOLD

DOB 3/25/2021
TLBAA: Pending
Sex: Bull
Sire: RR Wyatt
Dam: JT Blue Belle
JT Blue Belle's Rocky Road, is a large bodied bull calf with promising confirmation and great genetics. His grand sire, Rev Up the Stars, is a massive bull from Star Creek Ranch with huge horn bases. His sire, RR Wyatt, is our outstanding brindle bull (son of Sweet Brindle Dust) with horns measuring over 80" TTT. Rocky Road has started to brindle like his daddy! He sells with his dam. (Photo taken 7/2/21)

The gestation period for Longhorn cattle is between 285 and 295 days
