

## Questions to ask about your wife

1. What are her main areas of pain/brokenness that she is still in need of healing/freedom? What is your plan to help her get there?
2. How much does she trust you? Why is it that way? What needs to happen for her to get there?
3. What are her 2-4 areas of sin that she is learning to get free from?
4. What issues does she face that keep her from the Eph. 5 description of the church (spotless, radiant, without blemish)?
5. What are her spiritual gifts and how are they being developed for usefulness?
6. Does she understand her ID and role as a disciple of Jesus?
7. What are the main things that provoke fear and anxiety?
8. What at home systems/structure does she need help with implementing or keeping?
9. How is she as a mom? What does she do well? What does she need training in? Does she feel as if she goes at parenting by herself?
10. What are her main complaints about you? Is she right? Why do you get defensive about what she thinks?
